Industry Interaction Programme

A strong interaction between an institutions and industry is the need of the present market scenario. This will have great bearing on the course curriculum, exposure of industrial atmosphere to students and subsequent placement of young graduating mind in industries across the globe. With the advent of globalization and opening up of Indian economy to outside world, competitions among industries have become stiff. To solve their problems they look up now to Institutions. Similarly, there is an urgent need to prepare students for jobs in multinational companies, by exposing them to newer technologies and scientific methodologies. These objectives can only be achieved well by bridging the gap between industry and the academic institute.

In this connection, Dept. of Electronics and Communication in association with M/S. Letz Dream4U Consultants Pvt. Ltd., Nehru Place, New Delhi will organize an industry interaction programme as per schedule given below:

Date and Time: 20th September, 2019 (Friday) from 02:00 PM onwards

Venue: Prof. S. N. Ghosh Auditorium, Dept. of Electronics and Communication (JK Institute), Faculty of Science, University of Allahabad, Prayagraj – 211 002.
